

GĒOS Sustainable Surfaces Residential 10-year Warranty

GĒOS warrants through the fabricator to the owners of installed GĒOS products for a period of ten (10) years from the date of installation that the GĒOS material will be free from manufacturing defects. If a manufacturing defect occurs during the warranty period, GĒOS will, at its option, replace the defective GĒOS products at no cost to the end user. The fabricator of the countertops reserves the right to repair the defect in a workmanlike manner should they judge that the material is repairable.
